REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-2 are allowed because none of the prior art references of record teaches a printer cartridge for an inkjet printer comprising a connection interface for connection to a controller of the ink jet printer, the connection interface being configured to receive control signals from the controller for causing, when a refill port is mated with a refill cartridge, refilling of at least one of storage reservoirs, and when the refill port is not mated with the refill cartridge, the printhead to print the printing fluid in the combination as claimed.

Claims 3 and 5 are allowed because none of the prior art references of record teaches an inkjet printer refill system comprising a controller for causing, when a refill cartridge is mated with a refill port, refilling of a corresponding storage reservoir, and when the refill cartridge is not mated with the refill port, the printhead to print the printing fluid in the combination as claimed.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
